

Miners visit to Year 3 and 4

On the 22nd May 17, year 3 and 4 pupils were visited by 'The Granville Boys', three miners, who used to work in the local area.

They told us all about mining from the time of William Reynolds (late 1870's) to the 1980's.

The children were fascinated about the harsh and dangerous conditions that miners had to endure, but also the comradery they felt towards each other.
