

*Year 3 and 4's visit to
the local Ironworks -
Saint Gobain*

*On the 21st of June,
100 children from Year 3 and 4, were
lucky enough to have a tour of the
local ironworks in Ketley. Before we
went, we learnt about the history of the
Ironworks, starting with Abraham
Darby and William Reynolds.*

*When we were there, we learnt all about
what the Ironworks does and we saw
first-hand how iron products are made
today.*
