

UKS2 Remembrance Service 2017

On Friday 10th November 2017, Year 5 and 6 went to St Mary's Church, Ketley to take part in a Remembrance Service. When we arrived we were welcomed by Reverend Heather, who welcomed us to the church and explained the meaning of Remembrance. We then went outside to listen to The Last Post and observe the two minute silence, reflecting on all those who have given their lives for our country.

We then read out the names of soldiers from the local area who sadly died in the First World War, and we lit a candle for every name. Year 5 then shared a selection of their own poetry and art work that marked the centenary of the Battle of Passchendaele in 1917.
