

## Whole School Author visit - E. R. Reilly

On Monday 30<sup>th</sup> October 17, we were visited by author E.R. Reilly. He told us all about being an author and the books that he has written. He shared sections of his stories to show us how amazing these stories are, which made us really want to read them and see what happens next. He was very funny and set us lots of writing challenges to inspire our own writing.

On the following Thursday, E. R. Reilly came back to school to sign his books for us. Lots of us are now busily reading these stories to find out what happens to the characters we found out about.
