3. The Education Act 1996 does not debar voluntary contributions being made by parents.

The Governing Body would wish to try and ensure that the level of visits and activities established at the School continue but emphasise to parents that this can only happen with their full support and that activities will either be substantially reduced or cease altogether if parents are not prepared to contribute voluntarily.

The Governing Body note that parents are not debarred from making voluntary contributions in any situation including those in receipt of the qualifying benefits set out in 2 about under “Board and Lodgings charges” contributing towards the costs of board and lodgings if they so wish.

The Governing Body also note that there are no restrictions on the level of voluntary contribution that can be made nor are there any restrictions as to the use to which such contributions may be put.

4. The Governing Body notes that The Education Act 1996 prescribes:

- that no charges (other than for board and lodging costs as described in 2 above) may be levied for school activities taking place or deemed to take place “in school time”.
- that voluntary contributions must be genuinely voluntary.
- that there is no obligation on parents to contribute and
- that pupils will not be treated differently according to whether or not their parents have made any contribution.

The Governing body recognises that participation in all trips and visits is voluntary and notwithstanding charging requirements parents have the right, for whatever other reasons, to choose that their children not participate.

5. The Charging and Remissions Policy for Meadows Primary School and Nursery will, for the time being, be as follows:-

- i. The Governors reserve the right to make charges where the law allows and as set out in 2 above.
- ii. Individual instrumental and/or vocal tuition able to be accommodated at the wishes of parents will be on the understanding that parents meet the full costs involved.

- iii. From time to time it may be possible for the costs of trips and activities to be subsidised either wholly or in part from private school funds. Parents will be so informed when these occasions arise.
- iv. The Governing Body notes that the LA has provided funding for the remission of board and lodging costs for “in school time” courses at the LA’s own Outdoor Education Centre at Arthog.
Should the governing Body choose to hold “in school time” residential visits at some other venue, remission of board and lodging costs will be provided by the school to those who are entitled and who claim.
- v. The Governing Body have instructed the Headteacher to include in the schools disciplinary code that parents will be asked to meet or contribute towards the costs of damage to or loss of school property arising out of individual pupils’ behaviour.

6. This policy statement will be kept under review (last reviewed January 2018)
