

Wednesday 6th  
December

Navigating over the  
tyres safely and  
confidently.

Using and moving tools  
and equipment safely.

Experiencing nature in  
lots of different ways.

# Rudolph's Reindeer Surprise

Leaf food for the  
reindeer.

We're in Santa's grotto  
making chocolate  
preser

Louisa  
couldn't  
help  
herself-  
she ate it  
all  
herself.

We began our Forest School  
today by talking about  
Christmas and we looked at  
how we could paint our  
reindeer without ordinary  
paint. We mixed mud paint  
and used this to create our  
very own Rudolph. We also  
used a branch cut into  
and add a red nose.

Pancakes and pie for  
Santa.

In her red outfit Emily  
made a super Santa!  
"Ho, ho, ho!"

We made Santa's sleigh  
and shouted 'Dash  
away!' To make the  
reindeer go faster.
