

Dear Class 1,

Please could you help?

Monday 30th April

After some fun on the adventure playground, we began our session with some awesome exploration time. We made

Following this, we shared what we had done asking questions and making suggestions for improvements.

As last week was St. George's day, we discovered that people had been scaring dragons, thinking they were all naughty and dangerous, away from their homes and their nests. This had left lots of unattended eggs that needed caring for. They had been bought to Meadows and we have been asked to look after them.

We then drew our eggs, named them and began to add instructions on how to care for them.

EA&D 40-60+/ ELG  
PD 40-60+/ ELG  
PSED MR 40-60+/ ELG  
BI 40-60+/ ELG  
C&L S L U 40-60+/ ELG  
L W 40-60+/ELG

We made comfy, soft, warm nests for them with protection from and cats or birds of prey.
